"Sunset Dancers" by Judy Prosser

Exhibiting Artists

We invited our whole stable of Artists to exhibit in this "Four by Four" exhibition. With so many Artists contributing to this one exhibition, the result is quite dynamic. The only stipulation was the size of all works to be 40cm x 40cm, and it has been very exciting to see what each Artist has produced, especially when some of them would never normally paint a canvas this small.

There are x30 exhibiting Artists.
