Just as Roxy Music has stood the test of time, continuing to produce new work, reinventing themselves, and improving with time, so to have the following Artist's.

Everyone is welcome to pop in and enjoy a refreshing glass of bubbly from 2pm Saturday to help us celebrate and enjoy this collection of supreme works.

### WELCOME TO KARIN LUCIANO

We would also like to take this opportunity to welcome Karin Luciano to our team at Jahroc. Karin is a well known local artist, and will be here to give you loads of advice, or just to give you one of her friendly smiles in the gallery every Sunday.

You may be familiar with Karin from River Crossing gallery, which she operated for many years and closed late 2010. Karin has a collection of her paintings in at Jahroc, so be sure to ask her all about them when you visit.

## "Kimberley Uncut" Jewellery

Gemma Baker and Larry Williamson are back for the Leeuwin weekend!

Be prepared to be blown away with their latest pieces, inspired by using rough Kimberley diamonds and precious stones "UNCUT". Instead of being sent off to be faceted, these stones were chosen by Gemma and Larry for their excellent luster and shape in their natural form knowing that they could do something really creative with them. Stones in their rough form bring us closer to nature, letting us admire the raw beauty that nature provides us.

These uncut stones have been combined with other materials like Titanium, Gold, Abrolhos Pearls, Stirling Silver, faceted Diamonds, and Gemma's unique 18ct Gold or pure Silver French knitting.

RING by Gemma Baker

PENDANT by Larry Williamson

If you own a piece of jewellery by Gemma or Larry and would like it cleaned before you show it off at Leeuwin, please bring it in over the weekend and Gemma will bring it back to brand new for you.

Gemma will be in the gallery most of Saturday and Sunday, but if you would like to make an appointment to discuss jewellery, please give us a call and make a time. 9758 7200

## Larry Mitchell

What can I say.... another amazing Abrolhos Island masterpiece by Larry Mitchell.

"Glass-Out" Southern Group 3m x 1m

## Shaun Atkinson

After spending a good part of the last 2 years living and painting in Bali, you will be pleased to know that Shaun Atkinson has a beautiful collection of paintings to show as a result. It is a treat to be able to hang these works at Jahroc which show Shaun's most recent Artistic journey. "These paintings are inspired by a series of Balinese temples that pay homage to the sea that gives us so much" says Atkinson. You will see silhouetted shapes of these temples against Land, Sea and Sky with stunning results.

"Trinity" 4m x 160cm oil on canvas

All paintings are for sale, and on show till March 12th

Gary, Lara, Jo, Dave and Karin look forward to seeing you on the weekend
