## COW AUCTION INFORMATION

CowParade Margaret River, the world's largest public art event, is drawing to a close and all the mooovellous pieces of cow art will be auctioned off for the benefit of non-profit charities and environmental projects. This will not only be your chance to bid for your favourite and most loved bovine, but the only opportunity to see most of the herd together for one final time!

The live auction will be held at Signal Park, Busselton, on the 10th of July 2010.

Viewing of the cows commences at 3.00pm with the auction kicking off at 4.30pm.

Tickets to the Live Cow Auction are ONLY available from the Margaret River & Busselton Visitor Centres.

For \$55 you get the chance to bid, drinks, canapés, a souvenir 'cattle-log' and a memorable finale to

CowParade Margaret River. Numbers are strictly limited and the event is sure to sell out - if you are interested you better get in fast to snatch up your piece of beautiful artistic history!

To secure your ticket call **08 9780 5911** or email **welcome@margaretriver.com**

The remainder of the cows will be sold online at [www.tradeaway.com.au](http://www.tradeaway.com.au) with bidding opening on Saturday 10th July and closing on Monday 19th July. A great opportunity for those who can't make it to the live auction to get their hands on a beautiful bovine!

CowParade charity auctions around the world have generated over \$25 million and we hope that this event will make a big difference to the non-profit beneficiaries of CowParade Margaret River. These auctions will benefit a variety of charities and non-profit organisations and we hope that those that attend will be inspired to dig deep into their pockets by the fabulous works of art and the great causes that will benefit.

#### **SAY GOODBYE TO "ACER" THE FRESIAN**

After being a part of the Jahroc Gallery display for the past 4 months, we now say goodbye to "Acer" the Fresian, which was created by Robert Juniper.

He has had many different homes in the gallery, being moooved around like other art pieces on show, to make the mooost out of showing him off.

We would like to say a huge thankyou to all you faithful cow hunters who, with map in hand and camera around neck rushed in to tick another one off the long list of cows to see. You are the ones who made the event such a success. And well done to the Augusta Margaret River Tourist Association for bringing this event to our region.
