MRROS - Jahroc Furniture Workshop - OPEN TO THE PUBLIC

Take this (possibly) once in a lifetime opportunity to visit Jahroc's purpose built workshop which is nestled amongst the trees on a picturesque bush block just out of town. Open to the public for the first time as part of the **Margaret River Regions Open Studios** you can see Jahroc Furniture in the making.

Come and have a look at our expansive stacks of timber drying in the yard, have a chat to Dave, Gary, Jagarth or Anthony, and if you are lucky you might find a bargain out of a selection of Jahroc furniture we are offering at a SALE price.

Yes you read right - a SALE on a selection of stock which will be available at the workshop when you visit during the Open Studios.

With over 100 artists in the Margaret River region opening up their studios and being available for you to meet, this inaugural event is well worthy of your participation.

Pick up a free catalogue at Jahroc Galleries for all details on opening hours, addresses and participating artists - or visit the MRROS website...www.mrros.com.au

Please note: Jahroc Workshop has limited opening times and days. Outside of these times the workshop will not be open to the public and we thank you for your respectful understanding of this.

If in doubt about the opening times - call the gallery on 97587200

Hot new piece on the Gallery Floor ...

A Variation on our popular 6'11" Fish Halltable - check out the extra special detail on the nose and tail, and the clean curly grain in the Marri timber chosen for the body of the piece which is just exquisite.

Thanks to Dave for the timber selection, Jagarth and Anthony for the making, Gary for the new design tweak. A team effort from conception to finish....always a pleasure to have such beautiful pieces on the gallery floor for all to see.

Priced at \$3,850 ring us now if you would like to add this to your collection.

Gary, Lara, David, Joanne and Mechelle hope to see you soon at Jahroc.
